Mr. Lawrence B. Morris,  
537 Montgomery Avenue,  
Pelham Manor, New York.

Dear "Pug":

It is awfully nice of you to send your contribution of \$5.00 to Phi Kappa Psi. I assure you this is greatly appreciated by the Phi Psis and by me. They put the pressure on me to do it, and I am happy to be of some benefit to the boys when they call upon me. You never lose the old Phi Psi spirit, whether it is a response to money or to service.

This will be a definite help to the boys in dressing up their front room, and I will be anxious to have you come back and look it over so that you can pass your opinion on the job.

I certainly will be glad to convey your best wishes to the members of the Special Committee and to the boys at the house.

With kindest regards and best wishes for the year 1940, I am

Faternally yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
