Dear Doc:

We haven't heard anything from Quigley so I guess we are to assume that he plans on working in the Nebraska game at Kansas U. on February 14. The officials then for this game are Quigley and Newman. For the Kansas University - Iowa State game on February 20 the officials are Quigley and Peters.

If we should get a last minute cancellation from Quigley you recall that Parke Carroll is saving these two dates. I am just dropping you this line so that you will know how the situation is now.

Dear "Phog";

Again I regret to advise you that I will not be able to serve you in your Nebr-Kansas game on the 14th of Feb. nor your Ames games on the 20th.

As these dates are the last ones that I have with Kansas may I assure you that no small part of the disappointment that this accident has caused me is that I was not able to serve you and Kansas.

In your selection of officials for next year I will appreciate your considering me as worthy of your consideration; a kindness that I have always thanked you for.

Kindest regards to Mrs. Allen and the family.

Cordially,

E. C. Quigley.

Likely will drop in and see one of your games.

February 10, 1939.

Mr. E. C. Quigley,

Dear Ernie:

This will acknowledge receipt of your good letter of the 8th, and we regret that you are not in physical condition to work either game on the 14th and 20th. However, we do hope that you will be able to get in with Mrs. Quigley to see some of our games.

I trust that your foot is mending and that you will be your old self soon.

I assure you that it will always be a pleasure to have you work any games for us that are convenient for you.

Mrs. Allen is tremendously concerned about your injury and we are all very hopeful that it will not be long before you and Mrs. Quigley will be able to take to the road again and enjoy life as the Quigley's have wanted to do for many years.

With all good wishes, I am

Dear Louie:

I have a letter from George Veenker about the assignment of officials for our games on January 14, 20 and 23.

I am not very hot on the officiating of Mr. Lance. I like him as a fellow, but his calling of foot faults is more of a high school interpretation, and he seems to be very indecisive. Each time he has been here at Lawrence the crowd appreciates him less.

I saw the Iowa State-Missouri game - we got there after the game started and left before the finish, so we did not get a chance to see you - but I noticed the crowd wasn't very fond of him down there. But is it right to rise up and say that Missouri is not fond of any official? That is meant to be a joke, and not serious criticism.

I am enclosing a copy of my letter to Merl Ross in regard to the time of our game with you here at Lawrence.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,

December 30, 1938.

Mr. L. E. Menzo,
Iowa State College,
Ames, Iowa.

Dear Louie:

I am answering your letter of December 15 relative to the assignment of basketball officials in which Kansas is concerned. I had a letter from Quigley dated December 16 cancelling the January 10, 14, 20 and 23 dates in which Kansas is concerned.

In looking over my sheet I have O'Sullivan in second choice in the Kansas State game on January 10, and also in the Nebraska game at Lincoln on January 14. I presume that it was impossible to get O'Sullivan in these games. You will notice that on January 10 Kansas State is to come to Lawrence, and Quigley and Volz were to work the game. We would like to have O'Sullivan or Peters for this game on the 10th.

On the 14th at Lincoln, we had Duvall listed fifth. I am wondering if you couldn't get O'Sullivan to work that game at Lincoln.

For the game with Missouri at Lawrence on January 18, Peters to replace Cochrane is satisfactory, to work with Volz.

On January 20 when Kansas plays at Kansas State why not O'Sullivan, Carroll, Peters or Astle?

For our game with you at your place Quigley and Has-Brouck were to work. I am wondering about O'Sullivan or Parke Carroll. Personally, I would much prefer Mutt Volz, or any of them. Why cannot we get Volz to replace Quigley?

When I chose Quigley I did not worry about the other officials, but with Quigley out of it this changes the set up quite a bit, because Quigley generally dominates the games.

Also, I am wondering if Quigley accepted the date of February 14. I would prefer him to fill Cochrane's date.

For February 20 Peters is satisfactory, of course, to replace Mason. It is also satisfactory for him to work the game at Missouri on March 2. ✓

I am also willing to give Lance a trial here in Lawrence if you want to use him for any of the games. ✓

When I wrote the names of the five officials in the order of preference I naturally assumed that some of these one-two-three officials would work, but it seems as if Kansas has been hit especially hard in their selection by the withdrawal of Cochrane and Quigley and the death of Mason. I am leaning decidedly toward O'Sullivan and Carroll because they call fouls, and a lot of these other fellows just let them go. I wanted you to know why I am in favor of fellows like the two mentioned, as well as Volz and maybe Lance. Perhaps he will do better on his second assignment.

With all good wishes to you and Mattie and the kiddies, I am, as ever

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Phog:

Just received a letter from Quigley this morning stating that it will be necessary for him to cancel his games up to February 1. Incidentally he has accepted the February 14 date: Nebraska vs. Kansas at Lawrence.

He has cancelled the following dates which concern you:

January 10: Kansas State vs. Kansas at Lawrence.
January 14: Kansas vs. Nebraska at Lincoln.
January 20: Kansas vs. Kansas State at Manhattan.
January 23: Kansas vs. Iowa State at Ames.

Will you please check on the official assignment list so that you will not okay men who are already engaged on these various dates and rush to me a list of officials who are acceptable to you in all of these games in the order in which you prefer them.

Dear Doc:

In reply to your letter of October 17
Reeves Peters who was the next official in line
has been contacted for the Kansas-Iowa State game
at Lawrence on February 20, and also the Iowa
State-Kansas State game at Manhattan on February 11.
Harris Newman is the next official in line for the
Nebraska-Kansas game at Lawrence on February 14. We
have not as yet contacted him as we have been unable
to get his Kansas City address to date. If Newman
isn't satisfactory with you, will you please let me
know at once before we mail the letter to him.

Thanks for your nice words in your recent
letter. I was in Lawrence scouting last week and
just got a glance at you at the end of the press

that I didn't get a chance to get over and speak.

Remarks:

Grand Canyon National Park and the Indian-detours, on the Santa Fe to or from California and Southern Arizona, offer matchless stopovers of any length and at any season. The Santa Fe is the only railroad entering Grand Canyon National Park. Pullmans direct to the Rim. **Indian-detours** explore by motor the cliff dwellings, Indian pueblos and quaint native villages of the Spanish-Indian country about Old Santa Fé, New Mexico.

Dear Sir:

The University of Kansas basketball team plays the University of Oklahoma on Saturday, January 7, and we should like to make reservations at your hotel for 14 or 15 men. I will give you definite information on the number a little later, but just wanted to be sure to have the reservation.

We will arrive in Oklahoma City on the Santa Fe at 7:45 o'clock Saturday morning.

Very sincerely yours,
