Miss Martha Tillman,  
Executive Secretary, N.Y.A.,  
University of Kansas,  
Lawrence, Kansas.

Dear Miss Tillman:

In regard to my application, dated January 25, 1940, for part time employment by the National Youth Administration, I wish to give you the additional information.

My father has been dead for seven years and my mother has been trying to continue in the small business which he started, as well as keep house. It is impossible for her to help both my brother and me through College.

In addition to the references I have furnished on my application, I have several others. L.E.Painter, 1245 Kellam Avenue, Topeka, Kansas will vouch for my character and need. As to my drafting ability J.H.Hoehner, Topeka High School, and E.L. Johnson, Master Mechanic, John Morrell & Company, Topeka, Kansas will gladly furnish information.

Without any employment it would be necessary for me to commute to school from Topeka. As this would be inconvenient and would interfere with my best effort in school work and school activities, I feel that it is an absolute necessity that I obtain employment of some sort. I will need at least twenty (\$20.00) dollars a month to carry me through this semester of school.

Sincerely yours,
