

February 16, 1940.

Mr. Oswald Tower,  
Andover, Mass.

Dear Os:

I received a copy of the letter that Mr. R. A. Miller, of the Pittsburgh Plate Glass Company, wrote you on February 14th, and am enclosing herewith a copy of my letter to him which I wrote today. I wanted you to know the angle of the majority of people regarding the glass backboard.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
