Mr. Milton Meier,

Lawrence, Kansas.

Dear Milton:

I want to take this means of thanking you for your very courteous and extremely fair handling of the news concerning our sport of basketball, as well as the excellent write-ups that you gave the team and squad members.

Your handling of the sport greatly increased the interest in basketball among the student body and the fans generally. You were courteous, kindly, and withal very frank in writing news. It has been a pleasure to have been associated with you, and I trust that our paths may cross frequently. If at any time in the future I may be of service to you, please do not hesitate to call upon me.

With all good wishes for your continued success,
I am

Sincerely yours,
