Dear Dr. Allen:

I am sorry that you could not attend the committee meeting called by the Chancellor to discuss raising some money for the Far Eastern Student Emergency Fund.

I talked with your secretary and she stated that you had indicated your interest and would like to help. Therefore, I am asking if you will assist the committee to arrange the Bowl of Rice Supper in connection with the Fund. John Lintner is chairman of this committee and the other members are Joyce Vetter and Jean Steele.

It was decided that we have a Bowl of Rice Supper, a Tag Day, and a swing concert in the evening. The Bowl of Rice Supper is to be attended by as many of the faculty and students as possible and by the people who will work on the Tag Day. Provisions should be donated if possible, and all the proceeds should go to the fund. The committee will want to discuss an appropriate program for this occasion.

No official quota was made for this fund, but I am hoping that we can get at least \$400 from this campus for this very important project.

Sincerely

John J. O. Moore.
Executive Secretary

P.S. Will have the chairman get in touch with you when necessary. J.M.
