Dear Mrs. Merkel:

Your letter addressed to Dr. Allen regarding your son, Monte, has been received during Dr. Allen's absence in San Francisco. Dr. Allen will return for a few hours on Friday of this week, and then he will be on his way to Chicago to attend the N.C.A.A. basketball tournament on Monday, the 27th, and the meeting of the National Association of Basketball Coaches on March 25-27.

I shall bring your letter to Dr. Allen's attention when I see him Friday, and you may be sure that it will be kept confidential.

Sincerely yours,

Secretary to Dr. F. C. Allen.
