

February 10, 1939.

Mr. E. C. Quigley,
St. Marys, Kansas.

Dear Ernie:

This will acknowledge receipt of your good letter of the 8th, and we regret that you are not in physical condition to work either game on the 14th and 20th. However, we do hope that you will be able to get in with Mrs. Quigley to see some of our games.

I trust that your foot is mending and that you will be your old self soon.

I assure you that it will always be a pleasure to have you work any games for us that are convenient for you.

Mrs. Allen is tremendously concerned about your injury and we are all very hopeful that it will not be long before you and Mrs. Quigley will be able to take to the road again and enjoy life as the Quigley's have wanted to do for many years.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
