Mr. Harold Miller,
Chanute, Kansas.

Dear Harold:

I am enclosing copy of a clipping from the Topoka Daily Capital of August 28, 1938, which I thought you would like to read. I am also sending you a carbon copy of a letter I have written to George Nettles setting forth some of the information that I had in the matter. I thought you might be interested in this.

With best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
