Dear Happy:

I was pleased to have your good letter of the 14th instant stating that you and Justice Wedell are bringing your respective wives to the Missouri game on January 18.

The game does start promptly at 7:30, as all home games do. I think this has been a custom for some ten or twelve years, and that is the reason we stick to that time so that our patrons will not be confused as to the probably starting time.

I would be glad to have you and Dutch come down to the playing floor after the game. We have formed a habit here of inviting our guests and friends of the boys down to the arena after the game so that they may greet each other and say hello. The mothers and dads seem to appreciate this policy very much and it is going over in good shape. So we would be tickled to death to see you all after the game.

The tickets will be left in your name at the box office, and I think the only thing you will be required to do is to satisfy Uncle Sam on the tax.

Thanking you for your good wishes and hoping to greet you one and all, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
