Mr. Pat Mason,  
St. Mary's Hospital,  
Kansas City, Mo.

Dear Pat:

I was shocked to learn of your temporary illness when I read of it in the paper a few days ago. I have been waiting until we could have more favorable news, and last night I read in the Star the thing that I wanted to read.

There is nothing that a fellow can do or say that will help much, but I want you to know that I am sincerely pulling for you and hope that it will not be long before you will be out and your old self again.

Stay in there, Pat, and battle 'em. My sincerest and best wishes are for your speedy recovery.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
