Mr. Frank Myers,
Athletic Department,
Kansas State College,
Manhattan, Kansas.

Dear Frank:

I met Ira Henry, the gentleman who gave some sort of a rubber check and it showed such resiliency that it bounced right back, and you wrote me about it. I wrote Henry, and on Thanksgiving Day I saw him with his partner going to the Kansas-Missouri football game.

He dunned himself and said, "Why, they held that check up there for such a long time - - " and so forth. Well, the way he put it, it was very poor business to hold the check that long, but it wouldn't be poor business to hold a good check.

Let me know if he made the check good.

With kindest regards, I am

Very sincerely yours,

Varsity Basketball Coach,
Director of Physical Education.
