

December 4, 1937.

Mr. James Moore, Manager,
The Buick Company,
Lawrence, Kansas.

Dear Jimmy:

I am sending you my check for \$6.10, which I think you will agree with me is the correct amount for my bill.

You will remember my conversation with you, asking you to put in 25¢ oil in my Buick, and you replied that you had some very good 25¢ oil that would be all right for the car.

Apparently you failed to tell the Annex attendant to take care of this, or there is a 10¢ overcharge on each quart.

If the amount of this check is not in full settlement of the bill, please inform me.

Very cordially yours,

Varsity Basketball Coach,
Director of Physical Education.
