

December 3, 1937.

Mr. R. L. Markley,
State Superintendent of Education,
Cheyenne, Wyoming.

Dear Red:

Our good friend, Ralph Childs, dropped in to see the Kansas-Missouri game on Thanksgiving Day, and he told me upon my interrogation concerning you that you were going like a million dollars.

I just want you to know that I often think of the good time we had at Caspar when I was out at your high school tournament.

You are a regular fellow, and I am glad that you are getting along so fine. This is merely a word of greeting to say "hello". I would like to be especially remembered to your good wife.

With the season's wishes for a very Merry Christmas and Happy New Year, I am

Sincerely yours,

Varsity Basketball Coach,
Director of Physical Education.
