Mr. Hugh MacFarland,
New England Building,
Topeka, Kansas.

Dear Mr. MacFarland:

It was a delight to have a letter from you telling that you had been to Lafayette to spend the week-end with Frank.

It was rather a queer coincidence, but Bobby got a letter from Frank the same day that I received your letter. I was telling the family about hearing from you at the dinner table, and then Bobby chimed in with the statement that he had heard from Frank. I am very happy that he is getting along so well.

I am dropping him a note wishing him good luck and the coming season's greetings.

I trust that your family is well. I see a part of them, at least, at the ball games. It is always a pleasure to see any of you.

With kindest regards, I am

Sincerely yours,
