Mr. Ralph H. Merrill,
Co. E. 1st Inf.,
Ft. Warren, Wyoming.

Dear Mr. Merrill:

I have your postcard of November 19,
asking for a catalog of the University of Kansas, and
am asking the Registrar's office to send you one.

In case you are interested in the
course in Physical Education I am sending you the en-
closed curriculum to supplement the catalog you will
receive.

Very sincerely yours,

Director of Physical Education.
