Dr. Forrest C. Allen,
Director of Physical Education,
University of Kansas,
Lawrence, Kansas.

Dear "Phog":

That was a mighty fine basketball order that you favored us with. It was a really friendly gesture said with business. I want you to know that it is greatly appreciated by me.

The order will be made up according to your specifications, we assure you, and every effort will be made to ship by the date requested by Junior. The pants will be shipped on time, that is, on the 24th, but there may be a slight delay on the warm ups, as we are short some of the raw material.

I hope I will see you either at the National Meeting in New Orleans December 28th to 30th, or at the National Basketball Coaches Meeting in Chicago later.

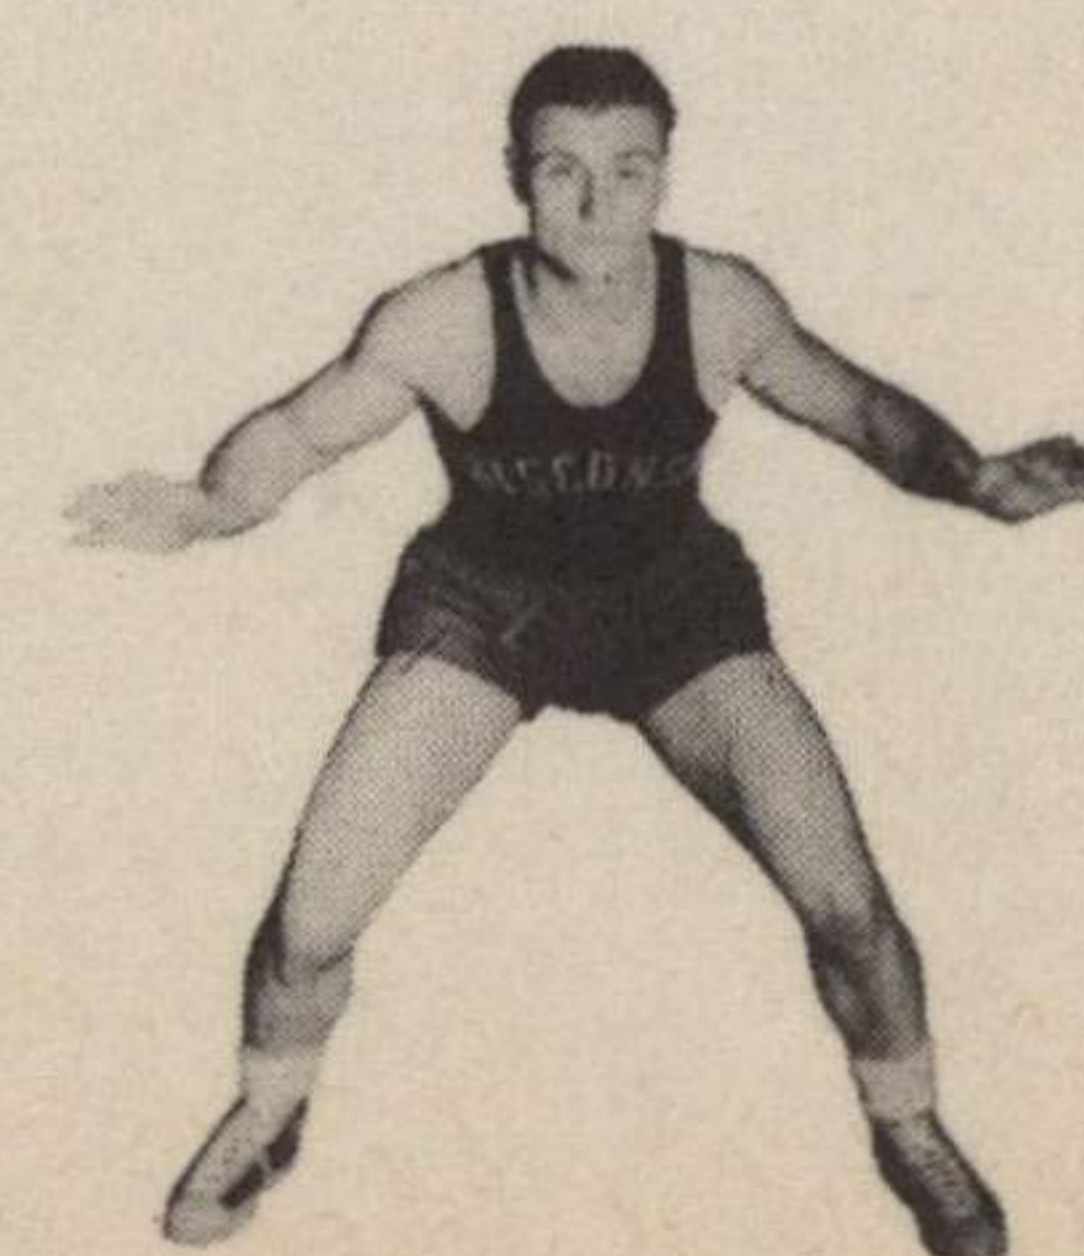

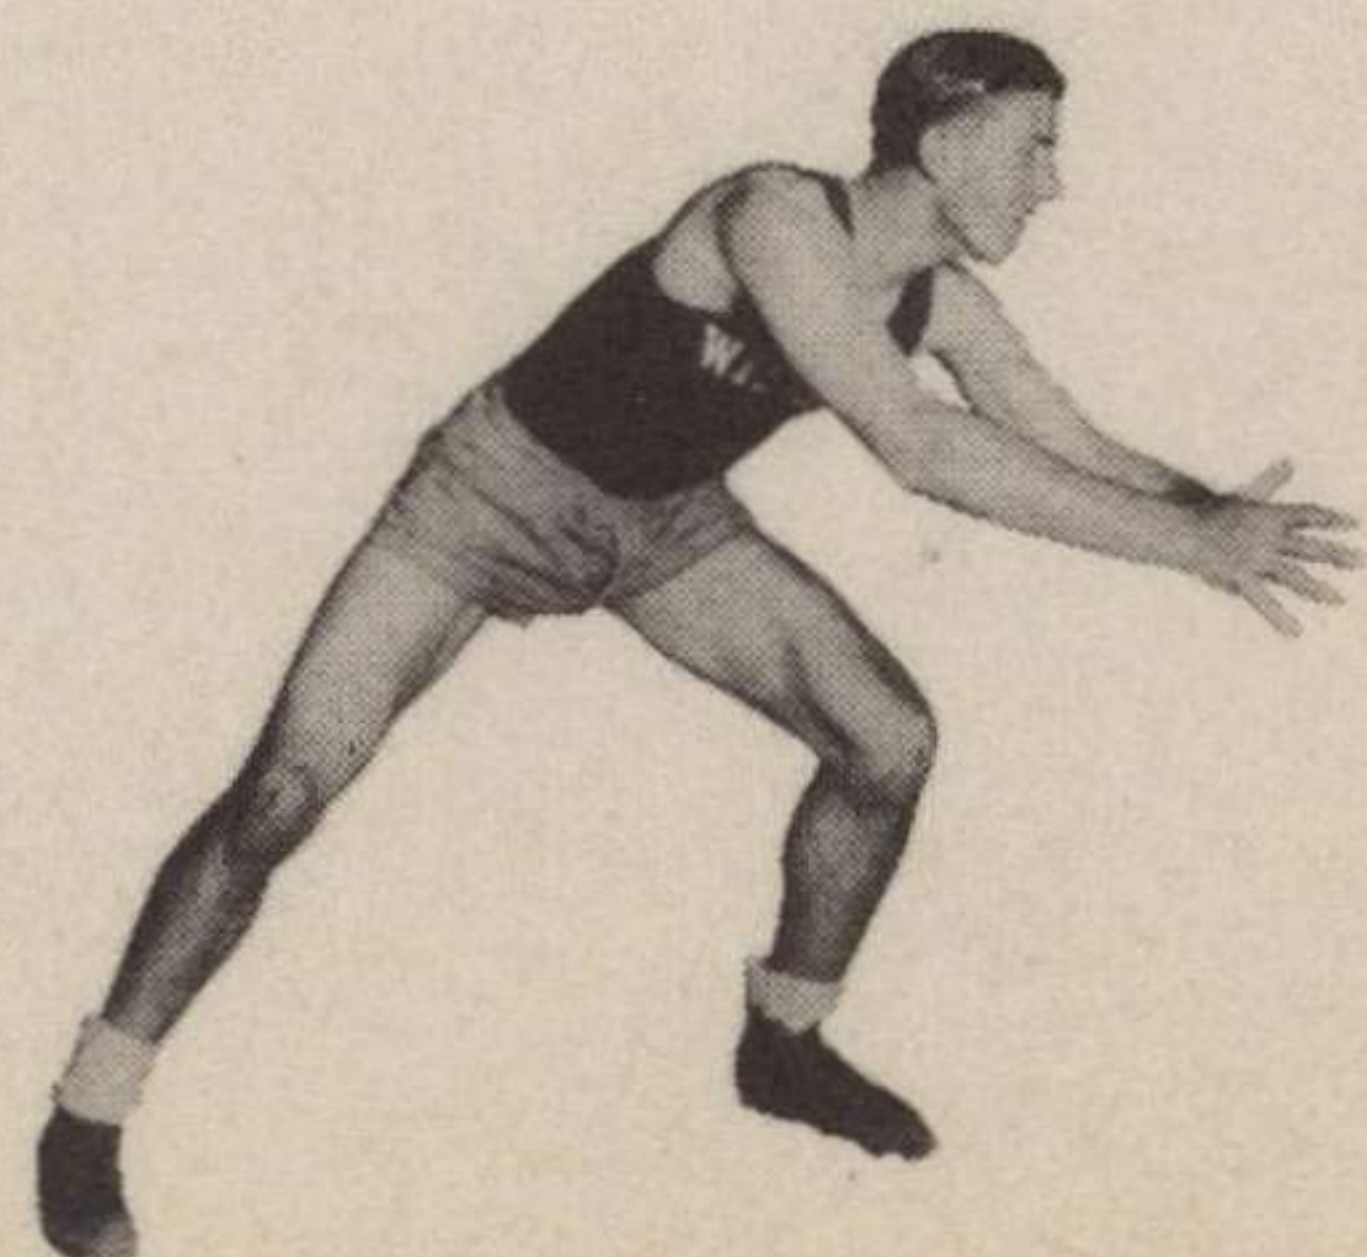

May you have another conference championship - Not one of those co-championship affairs.

Sincerely yours,

SAND KNITTING MILLS CO.
