

October 27, 1937

Mr. Charles C. Moore,  
Standard Oil Company,  
40th and Main St.,  
Kansas City, Mo.

Dear Charlie:

I acknowledge receipt of your post card dated Pittsburg, Kansas, October 26.

I have complied with your request and asked Mr. Falkenstien to lay aside six of the very best seats for the Kansas-Missouri game on Thanksgiving Day. If you do not want six you can just take the four, but I am sure that these will be the best obtainable at the present time, and you will perhaps find some friend who will want the two extras. So rather than turn them back, if I were you I would see if some of your acquaintances will want them before they are turned back.

Any time you send your check will be O.K. The tickets are \$2.25, counting all state and federal tax and admission charges.

I have been wanting to have a visit with you, but I have not been out of Lawrence but once this fall. I am running into Kansas City tomorrow night. I speak at the Independence, Missouri, high school pep rally at 7:15 p.m. They are to play Sedalia the next day and they have asked me to talk to their pep session.

I am very glad that you had a visit with Milton. Of course, he is young and ambitious and perhaps wants to go ahead a little faster than he should, but you know we have all been young once, and the pep and ginigar these young people have is rather intriguing after all.

Mrs. Allen and I still plan on coming to see you some fine Sunday, but you know how our promises are - they are long delayed.

With every good wish, I am

Sincerely yours,

FCA:AH

Director of Physical Education.
