Dear Sir:

It was my good fortune to be among those coaches present at the school that you conducted at Spirit Lake, Iowa this summer, and may I say that I have never seen basketball presented as clearly and efficiently as it was at that school. I hope that I may be able to attend another of your schools next year.

I was very much interestee in the training end, and was quite taken with your idea of the three "B's" as a boys diet. I am wondering if it has ever ocured to you, "When a boy is not in condition, has trainingg rules have generally hit a S N A G"
