Mr. George Merideth,
Deputy Superintendent of Schools,
Pasadena, California.

Dear George:

I just received a letter from Principal John L. Lounsbury and he told me that you walked down the aisle last week to receive your doctor's hood. He said that he expected to receive his monkey suit next year.

Now, you see I don't call yours that because a man who so recently graduated would not feel complimented, but the fellow looking ahead might make light of it, but certainly not after he has acquired one.

So my congratulations to you, sir, are of the very sincerest and best.

We are all happy, and the weather here in Kansas has been very, very pleasant this spring and summer.

With every good wish for your continued success,
I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
