Mr. J. W. Mitchell, Manager,  
Phillips Refinery,  
Kansas City, Kansas.

Dear Mr. Mitchell:

I am just making a progress report on Jack Buckman to let you know how pleased I am with Jack. He wrote me last week saying he had had some financial difficulty due to the fact that he was helping his folks at home because of some members being laid off by the railroad company.

I wrote him a nice letter and thanked him for writing me, and gave him the assurance that I was positive that he would take care of this obligation at the first opportunity. I assure you that I will never press him unduly. However, I want him, as I want all boys, to have a responsibility for the obligations that they make. This is in line with the training that is so necessary for a young chap.

I thank you for your graciousness in helping me attain this attitude in Jack.

With every good wish, I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
