Mr. Dwight Burkhead,  
Gove, Kansas.

Dear Mr. Burkhead:

This will acknowledge receipt of your good letter of July 22. It has been quite some time since I received your letter, but I am supposed to be on vacation and have been in and out of the office somewhat irregularly.

I appreciate your writing about Albert Gagnon, but personally I could not guarantee any boy a job at so much per month. It has never been my practice to promise a fellow work if he would come to school. You know the situation at K. U.

I thank you for your interest in this boy, and in K.U., and trust that he will find it possible to go to school this fall.

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
