Mr. Charles C. Moore,
Standard Oil Company,
40th and Main Street,
Kansas City, Missouri.

Dear Charlie:

Mr. Elwyn Dees, our trainer here at the University of Kansas, is definitely looking for a filling station, the like of one at 15th and Massachusetts Street or at 9th and Vermont Street here in Lawrence. Dees has some money and he could certainly do a fine job for you. He is very energetic, and has a host of friends.

I was wondering if you had a station with a good gallonage that would be open. You understand, of course, that Dees is looking for a better job here. If he does not get it, he is going into business.

Please keep this confidential, Charlie. Drop me a line, or if you happen to be going through Lawrence stop to see me. Or, if one of your men covering the Lawrence territory will call on me I will be glad to go over the details with him.

With best wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
