Dear Fritz:

I have failed to acknowledge your good letter of the 2nd instant regarding your team. I want to tell you that any team you captain I will be happy to play sub on that team. But Fritz, you and I have budget committee meetings, and until we get those off our chests I am afraid there won't be much work done.

A lot of the fellows think after basketball season is over I have time to loaf, but really that is just when I start in to work more than ever. This Department of Physical Education needs a lot of TNT. I am going to be out of town most of April, being in Minneapolis, Chicago, and Atlanta for district and national meetings, but Fritz, if you want any cooperation from me I assure you I will give everything I have to put the old man across.

I am glad to see you lining up Bing Smith. He lives just across the street from me, and he needs some golf exercise.

I am not saying a thing about the letter. In fact, I hadn't done anything about it until just now, but again I say you can count on my cooperation.

Sincerely yours,

FCA:AH

Director of Physical Education
