Mr. E. E. Magnuson,
Prentice-Hall, Inc.,
70 Fifth Avenue,
New York City, N.Y.

Dear Mr. Magnuson:

It was good of you to drop by and say hello, and especially to wish us a cool summer. That is exactly what we are having here. I am afraid, however, when you dropped by it was rather warm, but this has been one of the most pleasant summers that we have experience here in our 19 years' stay.

I distinctly remember that from 1919 to 1927 we had seven lovely summers in succession. I am hoping that by the law of compensation we will now have several cool summers to amend for the hot ones that we have experienced in the past several years.

Mrs. Allen and our two daughters drove to New York. They seem to be enjoying it there. They got there just in time to experience the thrill of seeing that young man step off the 17th story window. I would have to be a lot crazier than he was to try to tread air. Poor fellow, he certainly must have been unbalanced.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
