Mr. Francis Boyd, Principal,
Mankato High School,
Mankato, Kansas.

Dear Bus:

You may count on me Wednesday, March 23. I note the banquet will start at 6:30, so I will be at the high school on time. I will also check with Jack Turner to see if he can come along.

Pralle, as you know, is out in Denver, and by missing the week of school I am very sure that it will be necessary for him to stay on the job for his studies, as he expects to graduate this June.

We are now in the midst of mid-semester examinations, and Ebling, Harp and Golay are deep in their books. However, if there is any chance to bring them along without having them miss too much study, I assure you I will be glad to have them come. My practice, generally, however, is to allow the boys to stay here because I feel pulling them away from school hours operates to their detriment.

Thank you very much for your kind invitation to stay over night. I may do that, and then again I may drive back to Lawrence.

Thanking you for your good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
