Dr. E. H. Lindley, Chancellor  
University of Kansas  
Lawrence, Kansas

My dear Sir:

I am writing to ask that, in case of a vacancy occurring in your department of physical education and health during the year, you will give me an opportunity to submit a formal application and a statement of my qualifications before you fill the position.

This is not an application but I shall take the liberty to say that I hold the degree of Doctor of Education, with a strong major in physical and health education, and that I have had excellent administrative, teaching, and coaching experience on the college and university level. I am especially well qualified by training and experience to teach professionalized subject matter courses in teacher training work. I can furnish you with excellent recommendations as to my character and ability.

You have my good wishes for a happy and successful year.

Very truly yours,

  
Ernest R. Miller
