

If we could get the editor of The Scholastic Coach to write something about the book again this year, along in October or November, and if we could do the same thing with the Athletic Journal, I believe it would be a good thing. Our book came out so late last year that a lot of the people missed it.

You will pardon me when I bother you with so many details concerning the sale of the book, but I know of no other way to do it better.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
