Mr. Curtis W. McGraw,
McGraw-Hill Book Co.,
330 West 43rd Street,
New York City, N.Y.

Dear Mr. McGraw:

Thank you for your good letter of the 21st instant regarding Dr. Fishbein's attitude concerning the foreword for the book. I was quite sure that he would take this ground, and I am glad that he did because we can get several nationally known medical men who will be glad to write a foreword for us. Of course, they will of necessity be connected with athletic departments, and this should help the situation rather than hurt it.

We are not going to get to New York this year for the Rules meeting, but the first time that I am in New York I will drop in and talk this matter over with you.

With every good wish, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
