Mr. Curtis W. McGraw,
McGraw-Hill Book Co.,
330 West 42nd Street,
New York City, N.Y.

Dear Mr. McGraw:

I am sending you a letter from Dr. Ray G. Hulburt,
editor of the publications of the American Osteopathic
Association.

It seems as if Better Basketball is causing quite
a bit of comment over the country, but you, better than any-
one else, know how the sales are holding up. We sold a great
number of Basketball Bibles to osteopathic physicians who are
now called on to treat more athletic injuries than anyone
else.

If you feel that you could successfully send Editor
Hulburt a copy I am very sure that he would very favorably
publicize the book, and it would do no harm in the sale.

I will appreciate your consideration of this request.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
