

As you notice from the list, we bought quite a few from Smith-Grievess, and everything was quite satisfactory.

If this is agreeable, please enter an order for 125 to be shipped to me at 801 Louisiana Street by freight, or should I say express. What is the rate on this stuff, and how do you generally ship to book concerns? I imagine parcel post is out of the question. When do you expect to have some ready for shipment to the other firms?

Very cordially yours,
