### BETTER BASKETBALL

Dear Professor Allen:

We are returning to you at this time the table of contents. We had intended to check both the chapter titles and the page numbers to correspond with the page proofs, but the first 150 pages, and all the galleys have been sent out by Mr. McGraw for advertising and review purposes. We have checked from Chapter XII on, but we must ask you to check the first eleven chapters.

Will you check this and return it to us immediately?

Very truly yours,

*Emilie Wallace*

*the title for  
Chapter I you will find that we have  
eliminated part of it (the turn). We have asked  
the editorial department to make this change  
in the context and are hoping that it can  
be done as the extra words add nothing to the title  
~~excepting clumsiness.~~*
