BETTER BASKETBALL

Dear Dr. Allen:

You will be glad to know I am sure that your concern over the error in Diagram 66 was needless, and this is not as serious as you perhaps had imagined. It will be necessary for me to prepare a new engraving after correcting the tracing, and this of course is an expense. However, the expense is not great, and we do not mind making over an occasional cut.

I have already had the drawing corrected, and have ordered a new engraving prepared. I shall send you a proof of the new cut as soon as it is available.

Very truly yours,

W. J. Gartner
