Mrs. Gladys Brady McGilley
1800 Linwood Boulevard
Kansas City 3, Missouri

Dear Gladys:

Mrs. Allen wants to thank you from the bottom of her heart for the very beautiful bouquet that you and Mr. McGilley sent her at St. Luke's Hospital. I was in yesterday and have never seen such beautiful flowers. Thank you again, Gladys.

The check came from Mr. McGilley Friday for the football tickets. Mr. Ernie Falkenstein, financial secretary, of the Athletic Association left with the team Friday morning for Wichita. They played Saturday and he didn't return to his office until this morning. I took the check in to him and he will give you and Mr. McGilley the very best possible tickets that he has. I personally appealed to him for you. There has been such a tremendous demand for these seats that they may not be as good as they would have been even two weeks ago but I can assure you that they are as good as I could possibly get for myself. And by the way, I have not gotten mine yet so you rest assured that I did everything I could for you and your good husband. I just wanted to write this personal note to you and let you know that I have had done everything that I could to take care of you.

You know I would not neglect one of my old time neighbor girls who I thought was just about the prettiest little girl that ever lived in Independence. My kindest regards and best wishes to you and Mr. McGilley and all of the Brady Clans.

b . Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach
