Mr. Andrew McDonald
Basketball Coach
Southwest Missouri State Teachers College
Springfield, Missouri

Dear Andy:

I am happy to enclose carbon copies of the two letters to Don Faurot and Clyde E. McBride. I trust that they will be of real benefit to you in landing the job.

I just received your second letter dated February 25 but the honorarium, pro or con, was not the thing that held me back.

Sincerely,

Director of Physical Education,
Varsity Basketball Coach.
