

Just about time for winter so I had better
close. [Lots of luck in the round ball campaign —
I'll be pulling for you 100%.] Give Mrs. Allen
my very best, also remember me to Mrs. Kuttien.

Sincerely,
"Sparky"

P.S. If any of these "long-noses" back here are
causing you any trouble just give me
the word & I'll take care of them.
