

Nortonville, Kansas

Oct. 11, 1944

Dear Dr. Allen/:

Would it be #####
agreeable to you if we would
bring a group of basket-ball
boys down to watch you
practice some Friday evening?
Are you doing any floor work
this ##### Friday? However
it may not suit us to come
this Friday. Would it suit
you ## Friday Oct. 20.?

Respectfully

H. H. McGee
