Mr. C. J. McCoy,  
Salina, Kansas.

Dear Curt:

Mighty happy to have your letter of the 17th. I haven't seen Jack yet but if he doesn't show up in the next week I will send for him to assure him that we want to help him in every way possible. You can rest assured that I will do all I can for him and I do want him to come out for basketball.

Everybody is up to their ears in work at the opening of school, so I will make this letter short and snappy, and assure you that we want to do all we can for your son. In your next letter to Jack insist on his coming by my office.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
