

I am sending you a little Cy Sherman communication. When Lew and I had lunch together he told me what Cy wrote so I thought I would let Cy know that we had no desire to lambast the University of Nebraska.

I'll bet you get darned tired of reading my communications but I want you to know all my shortcomings. So I keep you posted on every verbal exhalation that occurs to me.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
