Mr. Gerald Barker
Great Bend High School
Great Bend, Kansas

Dear Gerald:

Dean Nesmith, Earl Falkenstien and I have just talked about the basketball trousers. Whatever price Dean makes to you will be entirely satisfactory with us.

We know that if you get these trousers for your boys you will have the "doggiest" outfit in the league.

With lots of good luck, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
