

on the side. I would like to take a couple or more five hour courses, each one at a separate time of course. Would you please let me know if that can be done and the amount it would cost and other details you can give about it.

I hope I have made myself clear, that I want to know all about taking some correspondence work, and if you can not give me the details tell me who can and where I can get in touch with them. I am anxious to start.

I have a pretty good prospect of a pretty good job; which if I get will come in very handy to help here at home.

In closing I hope this letter finds you well and happy.

your truly
Bill Brill
