Mr. Raymond Nichols,
Chancellor's Office,
University of Kansas.

Dear Mr. Nichols:

I am enclosing herewith a statement of the account rendered by Professor F. A. Russell for the time he has spent on the grading project of the intramural field. I have approved his bill, and trust you will send through an order for payment of \$94.00 to Professor Russell from the funds that have been set aside for this project.

We found it necessary to engage Professor Russell for making the estimates, surveys and maps, and for supervising the grading, and he has done a very excellent piece of work.

I am also enclosing copy of a note from Mr. Russell in regard to the WPA project which is self-explanatory.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
