Dr. F. C. Allen:

I am listing below my time spent on Surveys, Maps and Estimates on Proposed WPA Grading Project on grading Intramural Field, and also time spent on supervising the grading with power shovel and trucks.

On account of WPA application it was necessary to revise the maps and estimates to fit the money available.

During summer I put in some time for Mr. Bayles in Department of Buildings and Grounds, and am paid at rate of \$1.17 $\frac{1}{2}$ hour. On this basis I have made up the following bill:

Aug. 18	3 $\frac{1}{2}$	hrs.
" 19	4 $\frac{1}{2}$	"
" 20	8	"
" 22	5	"
" 23	4	"
" 24	3	"
Aug. 15	6	"
" 16	5	"
Sept. 1	4	"
" 2	8	"
" 3	8	"
" 6	4	"
" 7	2	"
" 8	2	"
" 9	4	"
" 10	5	"
" 13	1	"
" 14 ^v	3	"
Total	80	hours, @ \$1.175 \$94.00

I shall appreciate it if you will present this bill for payment. Since I go on the University payroll on Sept. 15, I shall not bill this account for any more time.
