SCORING. Three and eight tenths (3.8) points for each game played, plus 3.8 points for each game won (a game won by forfeit shall score the same as for game played and won)

The two high scoring toams in each division will be in the playoff, which will score 25 points for the winner, 15 points for the runner up, and 5 points each for the other two teams.

NOTICE. 1. Each team must have a representation of at least 4 players.

2. Any team failing to show up fifteen minutes after scheduled playing time will forfeit game to opponent. 3. Team managers are responsible to see that score eards are turned in at the intramural desk in Phys. Ed. office. 4. Score cards may be checked out at the check room in the basement of Rob. Gym before game time. 5. If you find it necessary to forfeit a game, it would be a sportsmanlike act to notify your opponent so they will not have to waste time in reporting to Rob. Gym. It will also be helpful in arranging officials if you will please notify the Physical Ed. Office.
