Mr. Paul Brindel
653 Shatto Place
Los Angeles, California

Dear Paul:

I am a little late in answering your letter together with your enclosure of March 8, but I want you to know that letters never go unanswered so far as I am concerned.

I remember your being on the Hill here although I came to Mount Oread only a few times during your years here. I came to the University to succeed William Oliver Omar Hamilton in September, 1919. Bill has been in the motor car business and for quite sometime he prospered. Fortune has not smiled upon him here of late. He has been in a financial slump. However, Bill is just as clever and personable as ever, although he has put on a lot of extra weight and you would not recognize him from his well-proportioned self when you knew him.

If I make it to Los Angeles in the near future I will drop in to see you. Your letter intrigued me. I am glad to have heard from you.

C. E. McBride and the rest of the boys are still very much on the job in the Star office.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
