Lawrence, Kansas.

Dear Dr. Allen:

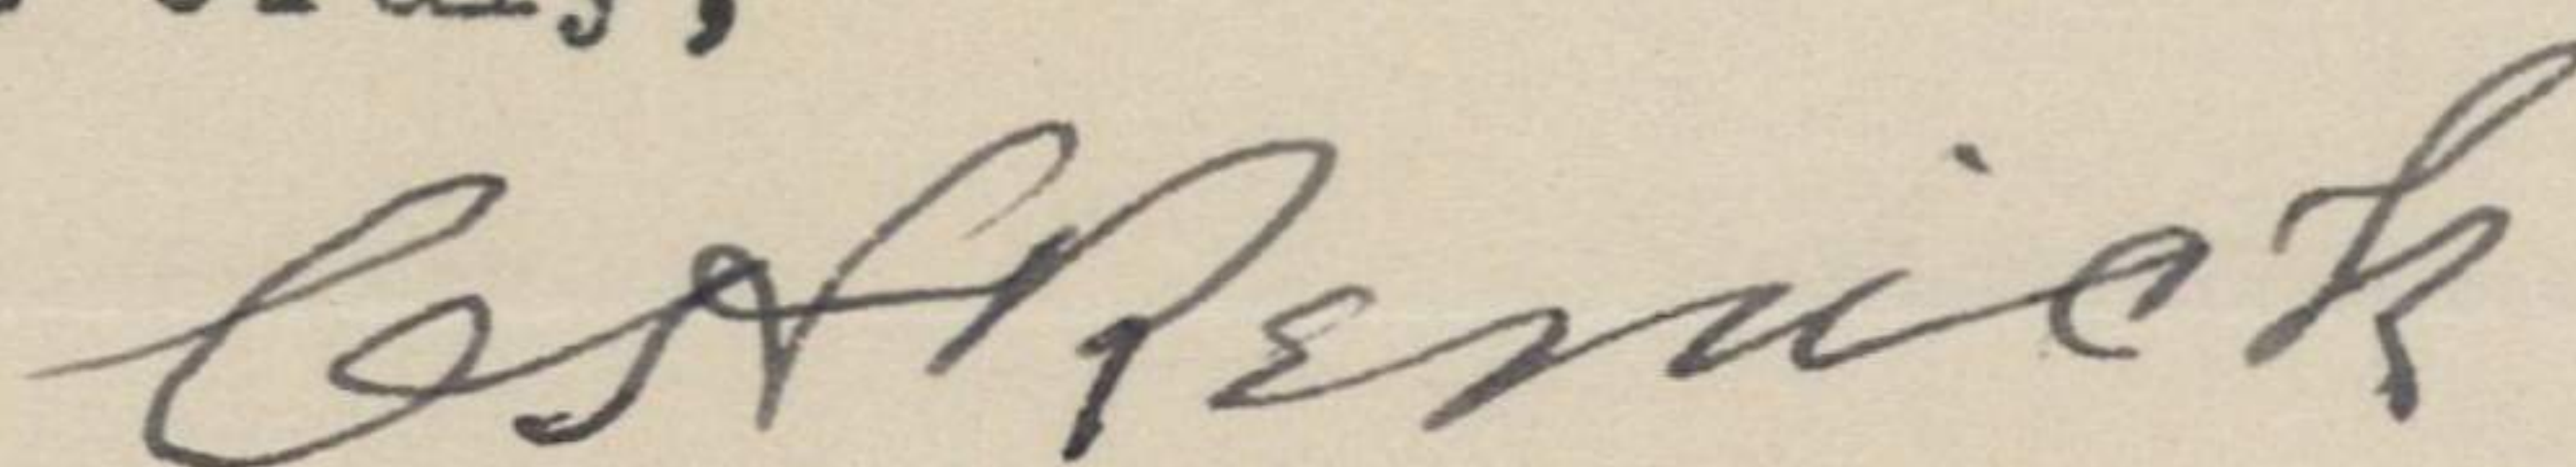

We have information that the convention of the National Association of Basketball Coaches of the United States will be held in Kansas City March 28-30, 1940.

We are writing you with reference to motor bus transportation for those attending the convention in the hope that should you wish to take the party on a sight-seeing tour, or conduct them in a body from one point of the city to another, that we may be of service to your convention delegates.

Our company also operates special chartered buses for trips out-state in both Kansas and Missouri. Fort Leavenworth, Excelsior Springs, Bagnell Dam, Topeka, and Jefferson City are a few of the many points of interest.

Buses of Kansas City Public Service Motor Transport Company are of the latest type, designed for comfort of passengers and we will be glad of an opportunity to quote rates should you contemplate any trip.

Yours truly,

C. H. Renick,  
Passenger Agent.
