Dear Mr. Allen:

Your friend, Mr. Jones of A. G. Spalding & Bros., has suggested that we write you fully, stating our facilities for keeping you cool, comfortable, and contented when in Oklahoma City.

We have the only Air Conditioned Guest Rooms in down town Oklahoma City.

Our fire proof connected garage is another exclusive Huckins feature, offering an added convenience.

Our FOOD is the big attraction in our Air Conditioned Coffee Shop and dining rooms.

Your health is protected by the pure soft water from our own 800 foot well. All ice used in the hotel is made in our own ice plant from this pure water.

We are located at Main and Broadway, the heart of the city.

We are looking forward to meeting you on your next visit to our City.

Very truly yours,
