Mr. C. E. McBride,  
Sports Editor,  
The Kansas City Star,  
Kansas City, Missouri.

Dear Mac:

I had hoped to get up to see you before I left as I very much desired to go over with you some details of our tournament in Kansas City. I have had some correspondence with Mr. H. E. Boning, Manager of the Kansas City Chamber of Commerce, and I thought we would get together in a discussion of these very important details that are so necessary to putting over a splendid tournament.

However, I received a wire from the people who are manufacturing our new game of Goal-Hi, and I am leaving Sunday evening for St. Louis to be there the 14th and 15th, and will go from there on to Atlanta to my coaching school which opens on the 19th and runs through the 26th.

I am hoping that when I return around September 1st that I can catch you before you get into your pre-season World Series and football rush. I will run in at a time that will suit your convenience and then we will discuss some of the details.

I hope that Helen continues to mend and is feeling fine, and that you are your regular - should I say, old or young - self. Anyhow, I hope you are still "regular" C. E. McBride. It was mighty good to have a visit with you people and especially I enjoyed my contact with Junior very much. He is a keen, progressive young chap and I know he will go a long ways. He is very likeable and has the knack of mixing without grating the least bit.

With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
