My Dear Bus -

I am glad to know that you now have things under control and that it will not be necessary for me to return to O.G. for a final settlement.

The N.C.A.A. share is to be 20% of the net after expenses are deducted. If you and Earl will make out a check for the 20% and make the ck. to N.C.A.A. Basketball Com. of U.S. then I'll mail the check to Harold Olsen Chm. with my report. May I have a copy of the financial statement, one for my files and one to send to Olsen along with the check.

I drew \$125.00 before I started. I told Earl that I would send an itemized statement of my trip when I returned and I am enclosing it herewith.

R.B. Fare Round Trip Law to Osco & Return	95.60
Pullman R. Trip.	28.50
Taxi Fares	5.70
