Rev. T. H. Aszman,
President, Ministerial Alliance, 843
843 Louisiana Street,
Lawrence, Kansas.

Dear Dr. Aszman:

I desire the Lawrence Ministerial Alliance to know that we are cognizant of the fact that we have scheduled a basketball tournament in Kansas City on Good Friday, and we regret that it was impossible to avoid this date in making plans for our national tournament.

Last year our committee set up the games for the four districts east of the Mississippi, and the four districts west of the Mississippi. The eastern play-off is being held in Indianapolis and the western play-off in Kansas City on March 22 and 23. It was necessary for us to schedule the western play-off on this date because of the late date of the Pacific Coast Conference play-off.

I was named manager of the tournament, and regret very much that the calendar was such that this date could not be avoided.

Very sincerely yours,

FCA:AH

Manager, N.C.A.A. Basketball Tournament.
